**A QUIET PLACE** | PG-13 | 90 MIN

A family lives an isolated existence in utter silence, for fear of an unknown threat that follows and attacks at any sound.

**AVENGERS: INFINITY WAR** | PG-13 | 149 MIN

Following the events of "Captain America: Civil War," the Avengers as we know it no longer exists. Lines were drawn; sides were chosen. The Avengers is nothing more than a team name without any team members. Can Earth's Mightiest Heroes put aside their differences and unite once more? Do they even stand a chance against the Mad Titan who delights in their failure and desperation? Can they stop his thirst for power and chaos as he begins to collect the Infinity Stones?

**RAMPAGE** | PG-13 | 115 MIN

Primatologist Davis Okoye (Johnson), a man who keeps people at a distance, shares an unshakable bond with George, the extraordinarily intelligent, silverback gorilla who has been in his care since birth. But a rogue genetic experiment gone awry mutates this gentle ape into a raging creature of enormous size. To make matters worse, it's soon discovered there are other similarly altered animals. As these newly created alpha predators tear across North America, destroying everything in their path, Okoye teams with a discredited genetic engineer to secure an antidote, fighting his way through an ever-changing battlefield, not only to halt a global catastrophe but to save the fearsome creature that was once his friend.
